## NARCOTICS & OPIOIDS POLICY

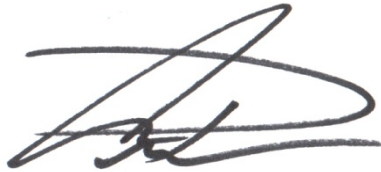

We at Autumnwood Dental will do our best to evaluate, treat and relieve you of your pain. However, there is a current serious and ominous epidemic facing our community—*prescription drug abuse*.

To combat this growing epidemic, we have committed to reducing the level of DEA Scheduled prescriptions while at the same time not compromising the highest level of care.

*WE WILL NOT PROVIDE ANY DEA SCHEDULED PRESCRIPTIONS TO ANY NON-ESTABLISHED PATIENT THAT HAVE NOT UNDERGONE ANY DENTAL TREATMENT.*

Thank you for your understanding,

Sincerely,

B. Ardi Pribadi DDS

I understand this policy and will comply fully with no reservations,
